SPORT AND MUSIC DAYS

POLAND

SPORT CLUB & SPORT DAYS

Our sports club, as it was before, has regular meetings and practices lots of new games and tactics how to play well. The club helped to organize a „Health Run” that is organized by our school annually in the spring.

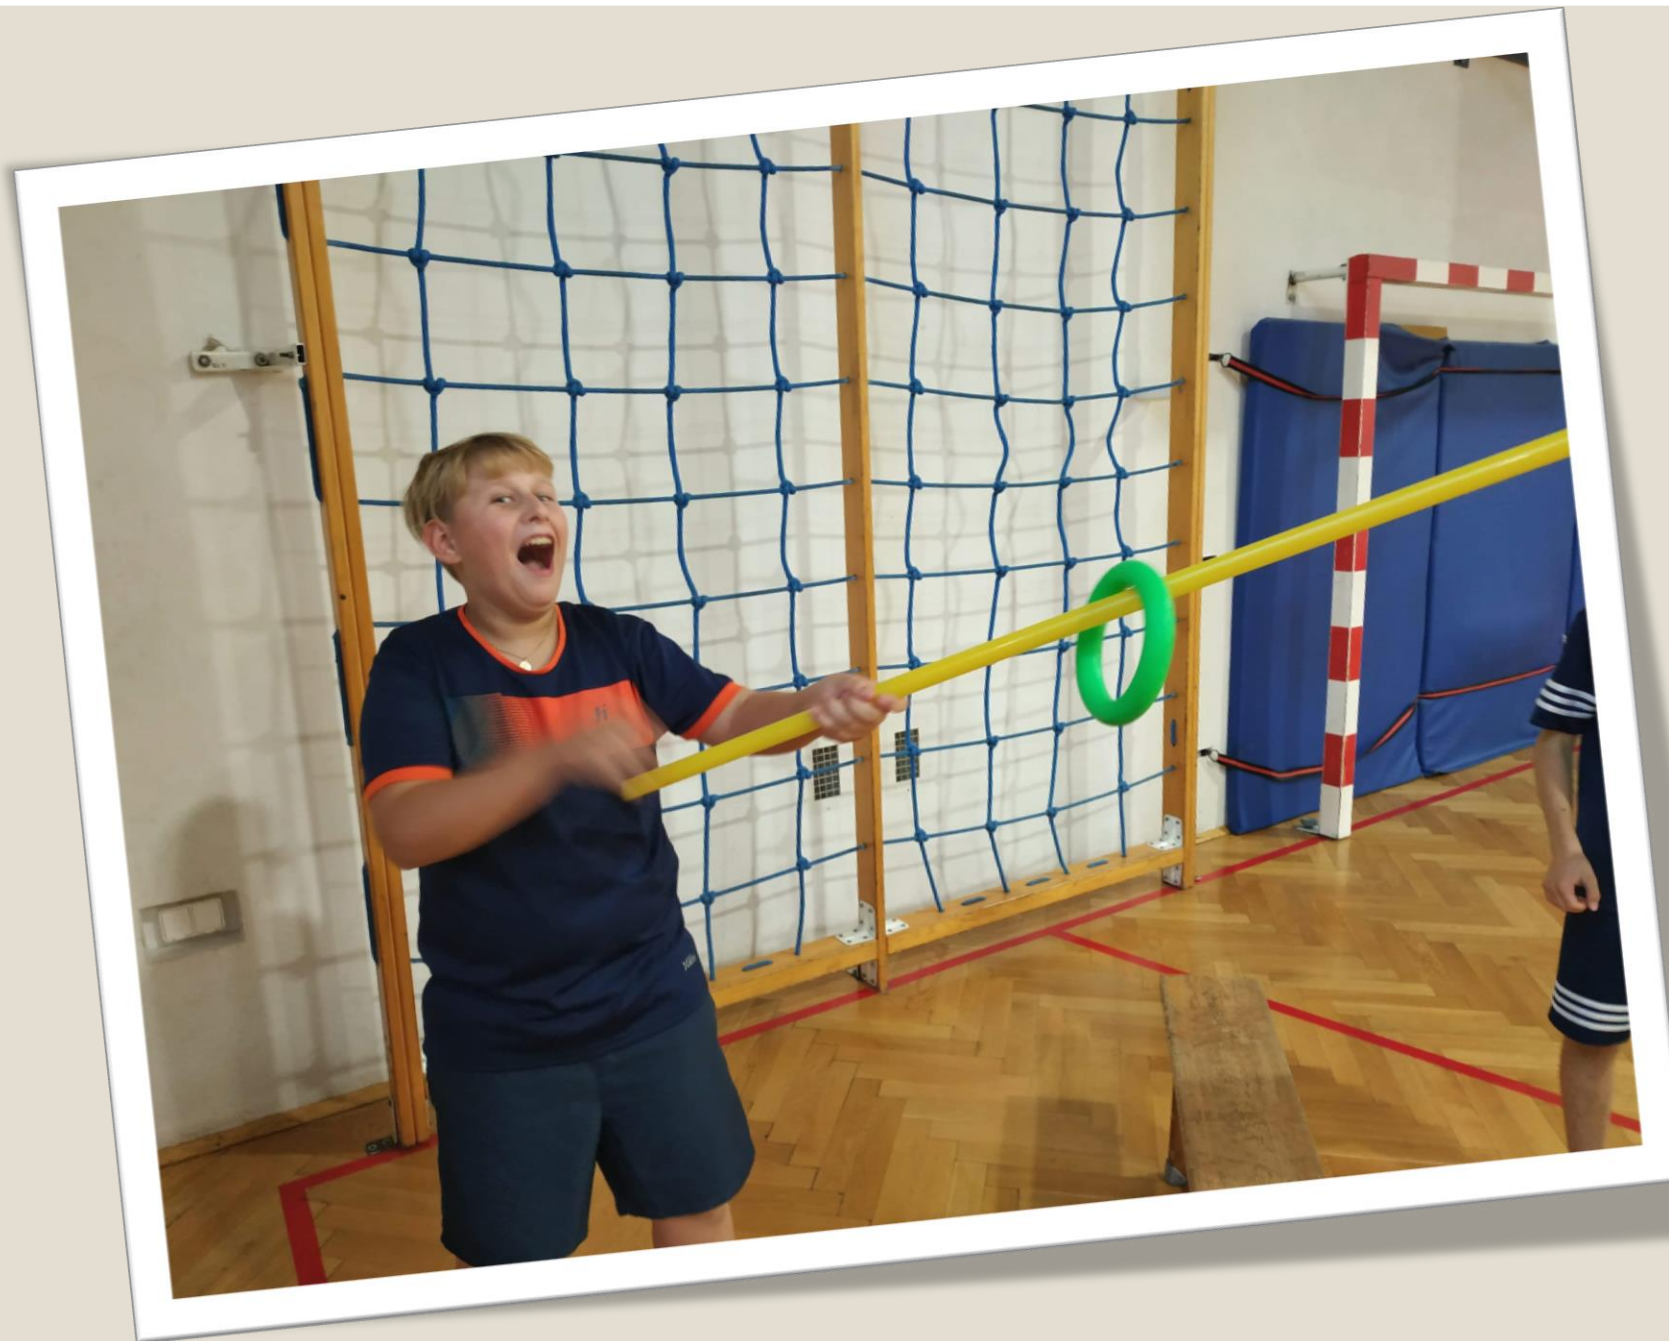

We all met on our football pitch and had professional runs in two categories:

- Kids'run
- 3 kilometers run for all volunteers (teenagers and adults living in Zagórze).

Additionally, there are some games for the youngest ones and some shows prepared by our students before the event (dances, songs).

What is more, according to the International Sports Week, Erasmus Sport Club organized a tournament of a game called „Pochodnia”.
A lot of willing groups took part in it.
They had a great time there.

DRAMA CLUB & MUSIC DAY

Our Drama Club helped to organize Music Day this year. That day each class presented a song or dance prepared in advance. They presented it on our school gym and the jury chose the best ones to perform for our local authorities on 14th of September (The National Day of Education in Poland).

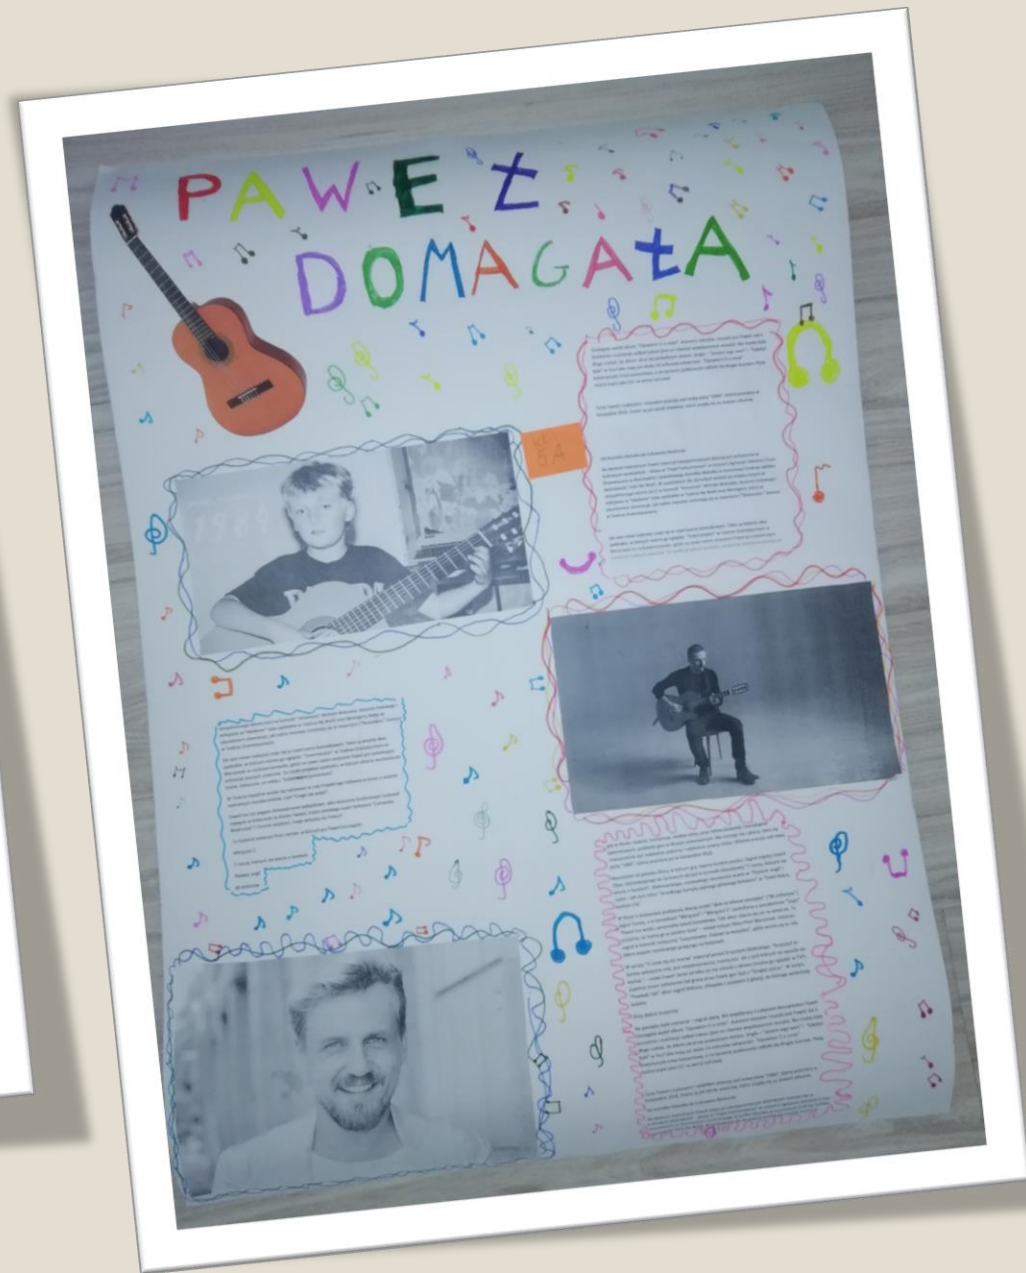

Not only the performance was important.
Each class from 4th to 8th grade had to create
the poster of their favorite musician.

Here are the results 😊:

David Podsiadło
